Co-operate for Change! Fairtrade in Your School

A new teaching and resource pack for primary schools (KS2) The pack includes lots of classroom activities specially designed to introduce Fairtrade to KS2 students. Starting by exploring the basic concepts of 'fairness' and 'trade' the pack also looks at co-operatives and their role in the Fairtrade system. It offers lots of practical ideas on how to make your school Fairtrade friendly including information on how to set up your own Young Co-operative.

- Get your students engaging others in the school to find what they already know and think about Fairtrade.

- Develop co-operation skills so they understand the impact they can have by working together, and come up with ideas and an action plan.

- Work with your students to devise and carry out activities to raise awareness about Fairtrade and in the whole school community while having a lot of fun!

To request a copy please email

The pack, which includes a CD-rom containing all the activities and supporting resources, is available free from the Co-operative College.

This pack has been produced by the Co-operative College (www.co-op.ac.uk) for the Enterprise Network (www.enterpriseinschools.org.uk).

You are invited to the launch of

Co-operate for Change!

Fairtrade in Your School

- Learn more about Fairtrade and how to run projects in your school which help communities in the developing world.

- Meet coffee farmers from Colombia and hear about how Fairtrade has changed lives in their communities.

- Bring along KS2 students from your school to take part in a range of Fairtrade activities

Pick up a free copy of the pack and find out more about how to use it.

Teachers and small groups of KS2 students are welcome to attend on any of the dates overleaf. Each event will last around three hours and will include a short seminar for teachers to find out more about how to use the pack.

There will be a roundabout of activities for students to inspire them to engage their friends and take action on Fairtrade when they get back to school.
